Circle of Sisterhood School Build Trek Application

The National Panhellenic Conference community is leading an effort to fund a school build through the Circle of Sisterhood Foundation and partnering company Build On. With the help of the entire University of Tennessee community, our fundraising efforts will create the opportunity for young women to become educated and able to fight oppression in their village in Haiti. Along with funding the school, we have the unique opportunity to travel to the school build site and break ground. Up to fourteen active members of the sorority community at the University of Tennessee will be selected based upon the written application and a face-to-face interview by the selection committee made up of University of Tennessee staff.

Date: May 15th – 21st, 2016
Where: Haiti
Price: estimated $1,500-$2,000
  • Will require the Trek fee, immunizations, and flight.

Qualifications:
  • Full-time student in good-standing with the University of Tennessee and affiliated chapter.
  • An active sorority member of the Panhellenic Conference, National Pan-Hellenic Council, or Multicultural Greek Council at the University of Tennessee at Knoxville.
