- **Coordinate one alcohol free program/event with a sorority or fraternity from another council**
 - What philanthropy/service organization does your chapter already support? Do any other sororities and fraternities from other councils have the same organization or a similar cause? Team up to do service (that you would already be doing) so that you can both count this event!
 - Already have a brotherhood or sisterhood event that will not have alcohol present? Invite another fraternity or sorority from a different council to join you!
 - Bowling
 - Laser Tag
 - Roller Skating
 - Pumpkin Patch
 - Movie Night
