III. Conduct Rights and Responsibilities

- Students at the University of Tennessee are members of both the University community and the larger community of which the University is a part. Accordingly, students are responsible for conducting themselves in a lawful manner as well as in compliance with University rules and policies. In addition, the University has developed a set of aspirational goals titled, Principles of Civility and Community, which encourages all members of the University community to foster a learning environment where diversity is valued, respected, and celebrated.
- Students are responsible for being fully acquainted with and for complying with the Code of Conduct (Code), the applicable undergraduate or graduate catalog, the student handbook (Hilltopics), and other rules and policies relating to students.

Jurisdiction

- The Code applies to conduct that occurs on University-controlled property. However, with respect to conduct that occurs off of University-controlled property, the University has the discretion under the Code to discipline a student for conduct that violates the Standards of Conduct only if the student’s conduct:
 - I. occurs in connection with a University-affiliated activity including, without limitation, an overseas study program or a clinical, field, internship, or in-service experience;
 - II. consists of academic dishonesty or research misconduct;
 - III. is prohibited by local, state, or federal law, and the conduct was committed within the Knoxville Area (or, for UTSI students, the conduct was committed within Coffee County or Franklin County);

sexual assault, dating violence, domestic violence, stalking, and sexual exploitation
Whether weapons, drugs, or alcohol were involved.

Student Organizations' Responsibility

- Notwithstanding anything in the Code to the contrary, a student organization may be found responsible for conduct that violates the Standards of Conduct only if the conduct is fairly attributable to the student organization. Whether conduct is fairly attributable to the student organization will be determined by SCCS based on a totality of the following criteria:
 - Whether the misconduct was endorsed by one (1) or more officers of the student organization (“endorsed by” means: having prior knowledge that the misconduct was reasonably likely to occur and failing to take reasonable preventative or corrective action; failing to attempt to stop known misconduct while it is occurring; and/or helping to plan, promote, or carry out the misconduct);
 - Whether the misconduct occurred in connection with an activity:
 - a) Financed by the student organization and/or one (1) or more members or alumni of the student organization who contributed personal funds in lieu of organizational funds;
 - b) Related to initiation into, admission into, affiliation with, or as a condition for continued membership in the student organization; and/or

 - Whether the misconduct occurred on property owned, controlled, rented, leased, and/or used by the student organization and/or any of its members/alumni acting on the student organization’s behalf; and/or
 - Whether a member of the student organization attempted to conceal the activity connected with the misconduct or conceal the misconduct of another member of the student organization.

The policies outlined below are consistent with all University of Tennessee, Knoxville and [University Housing policies and regulations](#). Review of policies and timelines will occur each summer in collaboration with University administration.

- **Eligibility for Residency in Sorority & Fraternity Housing**
 - Students applying for resident status within an identified sorority or fraternity facility must be a fully admitted undergraduate student at the University of Tennessee, Knoxville. Students admitted into the Bridge program and/or other University of Tennessee campus satellite programs are not considered eligible for residency status. Residents must be actively enrolled in classes and/or practicum or internship programs at the University of Tennessee, Knoxville. Students wishing to reside in a sorority or fraternity facility must be an active member considered in good-standing of the identified organization and local chapter. First year students are not eligible for resident status within any sorority or fraternity facility. Transfer students that are already identified as active members of a sorority or fraternity may be considered for residency status by contacting the [Office of Sorority and Fraternity Life](#).
- **Housing Contracts**
 - All facilities that are defined as on-campus, University property are required to have each resident complete a [University of Tennessee, Knoxville Fraternity Park/Sorority Village Housing Contract](#), in addition to any individual organizational housing contracts. Contracts for the upcoming academic year must be completed in full and returned to the Office of Sorority and Fraternity Life by the last day of exams each spring semester.
- **Meal Plans**
 - Any fraternity or sorority wishing to offer food services to their residents in place of a University meal plan must seek prior approval of their meal plan from the Office of Sorority and Fraternity Life. All meal plans must meet a minimum of \$300 a semester in order to be considered an adequate replacement for the University Flex Plan. Organizations are not required to have a meal plan and/or may have a meal plan in addition to a University Meal Plan. Any member wishing to be charged for their organizational meal plan through the University must complete a Meal Plan Verification form or provide a signed copy of their organizational contract.

 - Student must be enrolled and registered with the University of Tennessee, Knoxville for the adjoining Spring and Fall academic terms or be seeking graduation at the end of the identified Summer term;

 - An identified House Director must be present within the facility during the summer months.

- All University regulations and expectations remain applicable to sorority and fraternity facilities and residents during the summer months. Failure to comply may result in disciplinary action and/or eviction.
- **House Directors**
 - All identified on-campus fraternity and sorority facilities are required to have a live-in House Director to oversee facility maintenance and ensure the general health and safety of its residents. House Directors must not be an undergraduate student and if a member of the same local chapter, must be removed from their undergraduate experience by a minimum of two (2) years. House Directors are to be hired and compensated through the local/national House Corporation Board. Assistance in recruiting eligible House Directors will be made available through the Office of Sorority and Fraternity Life. Each local/national Housing Corporation is responsible for the overall training and supervision of their employed House Director, however it is required that all House Directors meet the following University expectations;

 - Failure of the House Director to comply with any official University and/or Corporation Board policy or procedure will result in documented communication with the local/national housing corporation and inter/national headquarters.
 - It is expected that House Directors are present in the facility on a daily basis. For short-term vacancies in the form of a vacation or approved time off, it is the expectation that the House Corporation Board and House Director will arrange for temporary oversight. In the event that an organization finds itself without a permanent House Director, the following process must occur:

- Notification of vacancy to the Office of Sorority and Fraternity Life within 24 hours;

Decisions regarding a facility will only be conducted with an active member of a Housing Corporation Board, not with undergraduate chapter leadership.
- **Rent Rates**
 - Individual rent rates are determined by the University in cooperation with the House Corporation. If an organization wishes to change their identified rates, the House Corporation Board must submit the identified purpose for the change along with the price they wish to charge to the Office of Sorority and Fraternity Life. Rent rates will be reviewed annually by the Office of Sorority and Fraternity Life in collaboration with the Assistant Vice Chancellor for Student Life and any necessary recommendations will be made to the local/national House Corporation Board.
- **Subleases**
 - In the event of a chapter suspension or organizational vacancy with a lease holding organization, the Office of Sorority and Fraternity Life will work with the corporation president in the establishment of a sublease if an opportunity is available. Any group looking to engage in this process should reach out to the Office of Sorority and Fraternity Life for guidance on the process. All subleases must be reviewed by the University and signed in accordance with the University's contracts policy in order to be fully executed and applied. Subleases will not extend beyond one calendar year. University consideration will first be given to recognized fraternities and sororities who have a relationship with the Office of Sorority and Fraternity and receive education around health and safety issues in the sorority and fraternity community. Subleasing organizations are also expected to have a corporation to manage the facility separate from the leadership of the student organization.
- For additional information on Use of Maintenance Reserve Funds, Parking in Fraternity Park/Sorority Village, Security, Lock & Key Installation and Maintenance, Insurance & Inspections and searches, please visit the full policy at gogreek.utk.edu
- **Fire Drills**
 - The University of Tennessee, Knoxville staff from Facilities Services and the Office of Sorority & Fraternity Life (OSFL) conducts fire drills for organization facilities owned by the University. The fire drills are required for the residents to practice leaving the facility and to identify any equipment that may be broken, malfunctioning, or missing.

National Fire Protection Association Codes 101 and 72 are the building fire codes enforced by the State Fire Marshall. Residents and/or organizations who refuse to cooperate with University officials in conducting fire drills (e.g., failing to leave the facility during a fire drill) or in actual emergencies will be subject to consequences, including termination of the privilege of living in the facility and referral to the Office of Student Conduct and Community Standards for disciplinary action.

- **Fire Suppression System Tests**

- Twice a year, organization facilities must have an inspection and certification of their fire suppression systems. Rapid Fire inspects the fire suppression system and turns in a report to the Fire Marshal. Residents and/or organizations who refuse to cooperate with University officials in conducting fire suppression system tests will be subject to consequences, including termination of the privilege of living in the facility and referral to the Office of Student Conduct and Community Standards for disciplinary action.

- **Building Inspections**

- At minimum, once every year, organization facilities must have a building inspection conducted by the Office of Environmental Health & Safety. Inspections may occur as often as once a month if deemed necessary.

- Chapters may find the full policy by visiting gogreek.utk.edu

XIV. Policy Violation Procedures

- Organizations are expected to abide by all policies.
- When OSFL witnesses behavior or receives information that a chapter may have violated a policy(s), the following procedures will take place:
- OSFL will submit information to the Student Conduct & Community Standards (SCCS) to ensure that no Student Code of Conduct Violation(s) occurred.
- If SCCS determines that a Student Code of Conduct Violation(s) occurred, they will proceed with their Student Conduct Process. See <https://studentconduct.utk.edu/wp-content/uploads/sites/53/2018/07/Student-Conduct-Process-Sheet-Fall-2020-1.pdf>
- If SCCS determines that no Student Code of Conduct Violation(s) has taken place, OSFL will move forward with the following:
 - If OSFL determines that a policy violation may have occurred but does not rise to the level of a formal violation, OSFL may elect to issue a formal warning, not resulting in a strike.
 - Generally, when an organization violates a policy for the first time, the organization will receive a warning from their respective council advisor.
 - *Note* OSFL reserves the right to determine a first-time policy violation will result in a strike based on egregiousness and particular policy.

- If OSFL determines that a policy violation has occurred, a strike will be assigned to the organization and the Chapter President will receive a letter from OSFL outlining one of two next steps:
 - For first time strikes, Chapter Presidents will be required to meet with their respective council's Student Accountability Board (i.e. MGC< NPHC, Panhellenic, or IFC). Judicial boards reserve the right to assign sanctions as they see fit.
 - For second time strikes, Chapter Presidents will be required to meet with a staff member in OSFL for an OSFL Policy Conference. The letter received will outline which OSFL staff member the Chapter President has been assigned to meet with. Chapter Presidents must schedule this meeting within 5 business days of receipt of the letter. OSFL reserves the right to assign sanctions as they see fit.
 1. OSFL will determine the most appropriate staff member for the Chapter President to meet with based on the policy violated.
 2. In cases where the Housing Policy is violated, meetings will generally be scheduled with the Associate Director for Greek Housing or their designee.

Upon a second strike, and intervention from an OSFL staff member for a policy violation meeting, a chapter will receive a 2-point SOFE deduction from "Conduct Standing."

- OSFL will follow the Policy Violation Procedures for up to 2 strikes for the same policy, within a single election cycle. Upon the 3rd strike, Failure to Comply will be assessed, and the chapter will be referred to the Office of Student Conduct and Community Standards for adjudication.
 - ****Note* OSFL reserves the right to determine any policy violation, even a first or second strike, will result in a referral to Student Conduct and Community Standards based on egregiousness and particular policy.***

Policy Violation Strikes are reset at the start of each election cycle. Election cycles vary based on organization and align with the calculation of SOFE points for chapters.

XIII. Reminders

- Per CSE guidelines for registered student organizations, only UTK students may be members of UTK student organizations. Only undergraduate, matriculating students registered for at least six (6) credit hours are allowed to be members of social Greek-lettered organizations.
- OSFL Policy Violations that do not rise to the level of Code of Conduct violations will be documented by the office, communicated to the appropriate parties and adjudicated by council executive boards when necessary. Once an organization reaches three non-Code of Conduct Violations of a given type, the organization will be referred to SCCS for Failure to Comply. All violations of the Code will be referred to SCCS immediately.
