Membership Intake Process (MIP) Policy

Purpose

The Office of Sorority & Fraternity Life at University of Tennessee Knoxville recognizes the importance of the Membership Intake Process and we support the efforts in the development of new members, as well as each chapter. As students continue to seek membership in Greek letter organizations on campus, it is important that the Office of Sorority & Fraternity Life establish a system of open communication and accountability with organizations conducting intake activities of new members.

Organizations wishing to conduct membership intake must follow this procedure and the steps outlined in this packet. An organization must receive official authorization from the Office of Sorority & Fraternity Life before membership intake activities commence.

Without the submission of this packet, intake will not be approved. In the event that intake activities begin without the knowledge and signed approval of the Office of Sorority & Fraternity Life, and/or the chapter has not adhered to this written Intake policy, intake activities will cease immediately. Failure to comply with this policy may result in individual and/or chapter disciplinary action.

Expectations of Chapters Conducting Membership Intake

- The membership activities will not interfere with academic endeavors or class schedules and will uphold the academic mission of the institution.
- The selection of new members must be in compliance with the University’s policy regarding hazing and must be free of any form of mental and/or physical abuse and hazing activities before, during or after the membership intake process.
