Reimbursement Requirements

Receipts
Acceptable receipts include vendor invoices, charge slips, cash register receipts, packing slips, or printout of E-mail or web page transaction confirmation, provided they include the following information. SCREENSHOTS from phones typically cut off required information and are NOT recommended.

Receipts should contain the following five required elements:

1. Name of vendor (person or company you paid)
2. Transaction date (when you paid)
3. Detailed description of goods or services purchased (what you bought)
4. Amount paid
5. Form of payment (how you paid – cash, check, or last four digits of credit card; or if invoice, stamped “paid” with an official vendor’s stamp, or marked “paid” and signed or initialed by the vendor, or processed through the vendor’s cash register to indicate a “cash sale”)

Proofs of payment
Provide a proof of payment if receipt info is incomplete

- Cleared check – obliterate the bank routing and account numbers printed on the bottom of the check, leaving any numbers in the lower right corner visible. Check the endorsement side of the check and obliterate any legible numbers. Most cleared checks are available as scanned images from your online bank account.

- Credit card or Bank statement – please redact/ obscure cardholder address, account number, summary of account information (payment due, balance, etc.) and all other details not relevant to the particular transaction for which reimbursement is requested. Only include relevant information that will document payment for the specific card in question.

IMPORTANT:
Purchases from Amazon via Personal Accounts can NOT be reimbursed. Items from Amazon must be purchased via UT Market Place
